Chicago's closing prices were: Wheat-July, 73 1-4; September, 72 3-8 to 72 1-2 December, 73 1-4. Corn-May, 45 3-4 September, 61 1-2; July, 63 3-4.

day, with trading fairly active.

back and trading quieted down.

Short covering was the chief fea- 11,600 Chie. ture of to-day's market. Traders were not disposed to carry anything over Sunday because of the uncertainty attending the settling period next

Vigorous buying by the Gould-Rockefeller pool made Missouri Paoffic a ri al with Illinois Central for the aonor of le ding are list. It adi beyond yesterday's record and Souched the high figure of the present

The poor statement made by the Reading Railroad for the month of May, showing that the anthracite strike was costing it a great deal of money, had an appreciable effect upon all the hard-coal roads, and the issues were barely able to hold their own. Prices Were Firm.

Prices as a rule were firm, with near y all the gains recorded in fractions. Dealings were very small in volume, and even the professionals were inac-

A strong boom in Illinois Central was inspired by the statement that a new deal was pending whereby it would very likely get control of the Chicago and Eastern Illinois through a lease. It advanced over 2 per cent., scoring the best level of the weeks' movement.

The industrial list was practically neglected and what trading was done was professional in character. Ice issues, weak at the opening, rallied later for a slight advance. Colorado Fuel and n was still weak and receded nearly two points during the first hour. Morgan's Share in Steel.

Steel issues were steady, the publicaon of the partial list of stockholders ing no features that had not been lown before. The small number of res registered in J. P. Morgan's name was satisfactorily explained by the ement that the syndicate, of which 134,650 shares and of bonds \$1,he is the head, owns \$200,000,000 of stock which was not voted..

The report from Washington that the lovernment would move against the Inthracite Coal Trust was not seriously egarded and was not looked upon as a

Uncertainty as to the bank state ment was reflected in the narrow volof trading. Money rates were ractically unchanged and the featureless condition of the market continued until the close.

READY TO PROSECUTE GOSSIP IN AND ABOUT WALL STREET, BUFFALO SAVINGS BANK STOPS DEMAND PAYMENTS.

It Requires Thirty or Sixty Days' Notice for Withdrawals.

BUFFALO, N. Y., June 28 .- While the will be a disposition on the part of doors of the Empire State Savings Bank many to make large withdrawals from were opened as usual this morning, no this bank. We feel that in justice to all money will be naid out the trustees it would be unfair to allow those withhaving decided at a meeting held yester- drawals and have decided to permit

having decided at a meeting held yesterday, following a quiet run on the bank, to require thirty days' notice for large sums and sixty days' for small sums under a rule of the bank.

The following statement has been addressed to the public:

"The trustees of the Empire State Savings Bank have become satisfied that through the circulation of a false rumor about the solvency of this bank certain of its depositors have become alarmed, and the indications are there withdrawal of their money.

drawals and have decided to permit withdrawals of sums exceeding \$500 on the month's notice.

"This board believes that there is no cause for uneasiness and believes that the bank is solvent. Our opinion is removed by the statement of the State Banking Department, which was made to us upon a recent examination."

There was no excitement at the bank when the doors opened, and no attempt at a run on the bank.

At 10.15 only about ten people were at the teller's window filing notices of withdrawal of their money.
